

VRIS UPDATE

MULTI-MEDIA MATERIALS

March 1, 2007

Number 65

SUMMARY OF UPDATES

A section has been added to the VRIS Home Page titled Multi-Media Materials. This section contains Streaming Videos and PowerPoint Presentations. These materials are primarily to be used in training new staff; however, any staff member may view the materials.

VRIS POSTING

The Multi-Media Materials section is located in the upper right hand corner of the VRIS Home Page under the Printed and Marketing Materials Section. Clicking on either Streaming Videos or PowerPoint Presentations takes you to their respective menus.

The current Streaming Video menu is:

- Acceptable Use Policy

- Director's Welcome

- History of VR

- Rehabilitation Act

- Rehabilitation Act Principles

- Using a Team Approach to Employment of People with TBI*

* This streaming video will be available when, and if, it can be converted to a format that is compatible with our computers.

The current PowerPoint Presentations menu is:

- Job Seeking Skills

- Post-Secondary Orientation

- Supported Employment - Developmental Disabilities

- VR Orientation
